

I Am a Fine Musician additional lyrics by Carole (Peterson) Stephens ©1998

You can use as many instruments as you have. All children can have each instrument, or there can be an assortment and the child only plays when their instrument is sung.

I am a fine musician, that's what people say!
I am a fine musician, that's what people say!
I ring the bells, I ring the bells, I ring the bells all day.
I ring the bells, I ring the bells, I ring the bells all day.

Verses: I tap the sticks, shake shake shake (*any kind of shaker or maraca*), then they get to choose from the instruments in front of them to "play the band" for the final verse.
