

Dancing Feet by Alvin McGovern ©2007

The cat can jump, yes it can
The cat can jump, yes it can
The cat can jump, yes it can
And I can dance all day!

Chorus:

I got dancing feet, when I hear that beat I
got to get moving, got to get off my seat I
got dancing feet, I got dancing feet
I got dance, dance, dancing feet.

v.2 The ants can march, yes they can...

v.3 I dance when it's hot, but not a lot
I dance when it's cool, as a rule
I dance all the time, rain or shine –
I'm just a dancing fool!
