

1. Hello Everybody, Yes Indeed! By Charity Bailey

Hello everybody, yes indeed, Yes indeed, yes indeed!

Hello everybody, yes indeed. Yes indeed, my darling!

(hello to your toes, head, knees – friends!)

This delightful zipper song can be as long or as short as you need! Identify body parts. Use children's names – "Hello to friend Joseph, Yes indeed." Zipper songs are great, as children learn through repetition. Zip in a new body part to tap and sing it again, please!
