

8. Ducks Like Rain by Fransiscus Henri Antheunis ©1981

Ducks like rain! Ducks like rain!

Ducks like splashy-splashing in the rain.

Ducks like rain! Ducks like rain!

Ducks like the rainy weather, water running off their feathers

Ducks like splashy-splashing in the rain!

Quack quack quack quack (quack a lot!)

(repeat song)

Ducky Countdown (spoken) by Carole (Peterson) Stephens ©1991

One little duck says Quack! Quack! Quack!

Two little ducks say Quack! Quack! Quack!

THREE little ducks say Quack! Quack! Quack!

And they Quack Quack all the way home!

I make duck sticks – a 10” yellow posterboard duck taped to a dowel – to waddle and quack with around the room! Find the template on [my website's Song Of The Month](#) archive.
