

## **10. Inky Dinky Do**

Put my hand on myself, what is this here?

This is my think-boxer oh, Mother, dear! (point to head)

Think-boxer, think-boxer,

Inky dinky do!

That's what I learned in my school, Boom! Boom!

Additional verses: lip-smacker (mouth), eye-blinker (eyes), nose-blower (nose). Then see what your students can invent! I learned this old favorite in Girl Scout Camp!
