

## **17. Sea Shell, Sea Shell**

*Cut sea creatures from felt, use a blue flannelboard. Children may hold 1 or 2, waiting for their creature to be sung to add them to the ocean!*

Sea shell, sea shell, sing a song for me

Tell me about the ocean, tell me about the sea.

In my ocean there are starfish!

*You may put 2 creatures in each verse if there are a large number of kids – “in my ocean there are whales and seahorses”, or do one at a time for fewer children.*
