There was a farm (echo)

A spooky little farm (echo)

The spookiest farm (echo)

That you ever did see-ee!

V.1 A field's on the farm, the farm's full of spooks – BOO!

Chorus:

And the black bats flew all around, all around

The black bats flew all around – OH!

The black bats flew all around, all around

The black bats flew all around.

V. 2 And in that field there is a vine

The creepiest vine that you ever did see-ee!

The vine's on the field, the field's on the farm, the farm's full of spooks – BOO!

V. 3 And on that vine there is a pumpkin

The cutest little pumpkin that you ever did see-ee!

The pumpkin's on the vine, the vine's on the field, the field's on the farm, the farm's full of spooks – BOO!

V.4 And in that pumpkin there are some seeds

The slimiest seeds that you ever did see-ee!

The seeds are in the pumpkin, the pumpkin's on the vine, the vine's on the field, the field's on the farm, the farm's full of spooks – BOO!
