

## **24. I'm a Little Snowman** tune: "I'm a Little Teapot" lyric by Carole Stephens ©2002

First pat on your "snow", then identify where to put a hat, scarf and buttons! How big are you? Make arms wide, and tip from side to side to be a LARGE snowman!

I'm a little snowman, short and fat

Here are my buttons, here is my hat (pointer fingers on tummy)

When the sun comes out, I melt away (arms overhead, hands together for "sun", then MELT!)

But I'll come back another day! (on the floor)

**Spoken:** "Are you melted? Then build yourself back up again! Check your hat, buttons, scarf.

Show me how big you are!"

Sing again!

**UPDATE THIS SONG:** There can be many kinds of snow people – and even snow animals!

Change the pronoun to SHE, and sing "I'm a little snow girl." Or a snow cat. Or snow dinosaur...
