

Macaroni Soup! by Carole Stephens ©2019

Thanks to Gari Stein for reminding me of this old rhyme!*

"Chop Chop" was perfect for making Macaroni Soup!

Chop Chop! Chippetty Chop!

Cut off the bottom and cut off the top.

What you have left throw into the pot

Chop Chop! Chippetty Chop!

Be creative – add whatever your children suggest to the soup! We "chop" by tapping the flat edge of one hand on the horizontal hand of the other.
