*Learning to pass is learning to share! Pass slowly, then quickly as indicated. I use the snow balloon ball from Bear Paw Creek!*

Snowball, snowball, it is very cold  
Snowball, snowball, much too cold to hold!  
Snowball, snowball, pass it – do not throw  
Snowball, snowball, slowly it will go!

Very cold, very cold, very very very very cold!  
Very cold, very cold – much too cold to hold! (*repeat*)
