

POLKA DOTS! by Carole Stephens ©2014

(start standing in a circle – make a circle with your fingers and dance!)

Dots! Dots! Dots! I love those polka dots!

Dots! Dots! Dots! I love those polka dots!

Dots! Dots! Dots! There's circles all around!

Blue or yellow, green or purple – see the dot's I've found!

(follow instructions)

V.1 I make a polka dot up high, then peek through with my eye

Now on my tummy, on my knee, the polka dots go whee!

(hold hands and walk in circle, going faster as tempo increases)

V.2 I make a circle with my friends, and we go round and round

Walking faster as we go, until we all fall down!

(everyone slowly get up and circle around or dance!)
