

## **Whoops, Johnny!**    spoken fingerplay

*Hold hand straight up. Tap each finger, beginning with the pinkie, sliding down the pointer and up the thumb and back to the top of the pointer on the “whoops’s”! Adult can tap a child’s fingers, or children can do their own hand. It’s a great way to learn everyone’s name!*

Johnny, Johnny, Johnny, Johnny  
Whoops, Johnny! Whoops, Johnny
