

Rainbow 'Round Me by Ruth Pelham ©1982

Scarves or ribbons of the colors named turn this beautiful song into a wonderful movement opportunity. We stand in a circle – children who have the color named in the verse skip or dance around the circle, returning to an empty spot for the chorus. Everyone sings and makes arcs overhead to the middle, then to the outside of the circle during the chorus. RESOURCE for props: www.bearpawcreek.com

When I look outside my window, it's a world of color I see
Fiddle-dee dee, outside my window - It's a world of color I see!

Rainbow, rainbow, rainbow 'round me
Rainbow, rainbow, rainbow 'round me

V.2 Sky – blue V.3 Sun – yellow V.4 Flowers – purple V.5 Car – red V.6 Grass – green

V.7 Butterflies outside my window are as orange as orange can be

Fiddle-dee dee, outside my window
They're as orange as orange can be
And the grass is green as green can be
