

## **A Very Fine Day!** Lyrics by Carole Stephens ©2014

Where, oh where do apples grow?  
Where, oh where do apples grow?  
Where, oh where do apples grow?  
Way down yonder on the apple trees!

Come on down to the apple orchard! (3x)  
It's a very fine day!

Reach up high then put it in a basket (3x)  
It's a very fine day!

V.2 Where, oh where do pumpkins grow? (3x)  
Way down yonder on the pumpkin vine!

Come on down to the pumpkin patch! (3x)  
It's a very fine day!

Snip the stem and put it in a wagon (3x)  
It's a very fine day!

It's a very fine day for being outside

A very fine day to take a ride

To a pumpkin patch or orchard wide

It's just a very fine day!
