Pops down, underground.

Two groundhogs pop up, look around, see nothing  
Pop down, underground.

Three groundhogs pop up, look around, see nothing  
Pop down, underground.

Four groundhogs pop up, look around, see nothing  
Pop down, underground

Five groundhogs pop up, look around –  
See sun, see flowers –  
Here's the thing – it's Spring – Yeah!

*( Make a fist, pop a finger from the other hand up through the fist, point to one side, then the other, then pop back down again. Repeat, adding another finger each time!)*
