

SICK!

By Carole Stephens ©2014

I had a cold – eh eh
And it made me sneeze – eh eh
Into my arm – ah-choo!
Can you try that please? Ah-CHOO!
I had a cold and it made me sneeze
Into my arm, can you try that please?

Now I'm not spreading germs – I'm keeping them to myself!
V.2 I had a rash...
V.3 Got a booboo here...
