

## **SMOOTH AND ROUND** melody: "Rain, Rain, Go Away"

Smooth and round, smooth and round  
Inside something can be found  
Soon the egg will start to crack  
Baby duck say Quack Quack Quack!

v.2 Soon the egg will start to break

Slithering out is a baby \_\_\_\_ (snake)

v.3 This one takes a little while

To snap its jaws – it's a \_\_\_\_ (crocodile)

v.4 Soon the egg will start to crack

This one's house is on his back! (turtle)

v.5 Hear the pecking of a beak

Now you can hear it Peep! Peep! Peep! (chick)
