

LITTLE ARABELLA MILLER tune: "Twinkle, Twinkle"

This is another fun "tickle" – creep fingers up arm, overhead and down the other arm. Then repeat going back the other way!

Little Arabella Miller found a creepy caterpillar

First it crawled upon her mother – EWE!

Then upon her baby brother – WAAH!

All said, "Arabella Miller, take away that caterpillar – YUCK!"

Little Arabella Miller found a creepy caterpillar

First it crawled on little brother - (baby giggle)

Then upon her dear grandmother – "Hmmm..."

Gran said, "Arabella Miller, how I love your caterpillar!"
