

Each Mitten Has a Mate

Lyrics by Carole Stephens c.2011

(tune: If You're Happy and Know It)

Each mitten has a mate, has a mate
Each mitten has a mate, has a mate
It's part of our game
Find the one that looks the same
Each mitten has a mate, has a mate.

(On a flannelboard, place one mitten of each pair, each pair a different color or pattern. Pass out mates to children to come forward and make a match up on the board)
