

Jump in the Puddles

author unknown

Check out songs #9, 10, 11 on my YouTube Video: [Episode 3: Rainy Day](#)

We jump jump jump in the puddles
As the rain goes pittery-pat
We jump jump jump in the puddles
And we put on our coat and our hat.
We put up our umbrellas
And we pull on our boots with a tug, HUH!
We jump jump jump in the puddles
And we're snug as a bug in a rug!
