

Great Big Ball

author unknown

Who's gonna get that great big ball as it rolls around the room?
Who's gonna get that great big ball as it rolls around the room?
Who's gonna get that great big ball as it rolls around the room?
Who's gonna get that great big ball, we're gonna find out soon!

Look who's got that great big ball,
Rollin' from their head to their toes
Rollin' from their head to their toes,
Rollin' from their head to their toes,
Look who's got that great big ball,
Rollin' from their head to their toes
But look out, kiddo! (pause) Here it goes!

PROP: A large ball (beach ball, medicine ball, etc)

ACTION: With children sitting in a circle, have them pass the ball. At the end of the chorus, whoever the ball is in front of lays down. The adult rolls the ball up and down the length of their body! You can insert the child's name, "Janie's got that great big ball..."
