

Going Places

by Jean Young c.2007

I met Jean at a Children's Music Network conference!

Going places, doot do doot do do
See new faces, doot do doot do do
Check your laces, doot do doot do do
But if I had my way I'd like to walk! (clap clap) Chorus:

Do do do do, doot do doot do do
Do do do do, doot do doot do do
Do do do do, doot do doot do do
But if I had my way I'd like to walk! (clap clap)

But if it's really far, perhaps we'll take a car
And if we need to float, perhaps we'll take a boat
Or if I make a fuss, perhaps we'll take a bus,
But if I had my way I'd like to walk!

But if it starts to rain, we'll choo choo on the train
If it's too hot to hike, we'll have to ride a bike
To go see Grandma Jane, we'll have to fly a plane
But if I had my way I'd like to walk!

Too long on the computer? Go out and ride your _____ (scooter)
If flakes are falling now, go hop in your snow _____ (plow)
If you legs are draggin', get a ride in a little red _____ (wagon)
But if I had my way I'd like to walk!
