

Shine Shine Shine! By Carol Johnson ©1977

I'm gonna shine, shine, shine!

I'm gonna shine, shine, shine!

I've got a great big light deep inside

I'm gonna shine, shine, shine!

V.2 I'm gonna laugh, laugh, laugh!

I'm gonna laugh, laugh, laugh!

Hee hee hee, come on and laugh with me

I'm gonna laugh, laugh, laugh!

V.3 I'm gonna jump, jump, jump!

I'm gonna jump, jump, jump!

I'm gonna jump for joy, boy-O-boy!

I'm gonna jump, jump, jump!

Jumping on one foot. Jumping on two!

Feel so happy, cuz I'm jumping with you!

I'm gonna shine, shine, shine!

I'm gonna shine, shine, shine!

I've got a great big light deep inside

I'm gonna shine, shine, shine! SHINE ON!

I pump hands high, fingers opening and closing for "shine".

Roll your hands in front of your body for "great big light".

"Laugh" – do the sign – an "L" shape with pointer and thumb on both hands, thumbs by your chin, and pull outward – and smile!

"Jump" – yup, get off the floor!
