

Stinky Cake! By Tommy Patten and Kitt Cox ©1982

We're going to make a stinky cake
We're going to make a stinky cake
We're going to make a stinky cake
We're going to bake it all night long!
What'cha gonna put in the stinky cake? (3x)
So we can bake it all night long!

Verses: dirty socks, moldy fish, baby diapers – then add your own!

You can even do the whole song with verses suggested by children. It's a Zipper Song – the same tune repeated, zipping in a new item for each verse! Easy to learn quickly, and kids LOVE this song! Be sure to sing the diaper verse with your fingers pinching your nose for extra giggles!
