

Say Good Day!

When cows get up in the morning
They always say “Good Day!” (repeat)
They say MOO! MOO!
That’s how they say Good Day!
They say MOO! MOO!
That’s how they say Good Day!

Repeat with other animals, then Kids – they say, “Good morning, Mom, Good morning, Dad”
Tired of “Old MacDonald”? This is a great swapout, still identifying animal sounds. Be sure to provide visuals – a puppet, picture in a book or on a screen – whatever you have handy!
