

Duckie Duddle

Little Duckie Duddle went swimming in a puddle
A puddle, a puddle quite small
He said it doesn't matter how much I splish and splatter
I'm only a duckie after all, QUACK QUACK!

Put your palms together for "swimming hands." For line 3 wag finger and shake head. Then pat the floor to spish and splatter! Palms back together as a duckbill, open and close, for the QUACKS!
