

## **6. I'm a Little Seed**     melody: "I'm a Little Teapot"

I'm a little seed in the dark, dark ground  
Out comes the sun, yellow and round.  
Down comes the cool rain, soft and slow  
UP the seed begins to grow!

Curl up on the floor, then make a sun with arms overhead. Wiggle fingers down for rain, pop up smiling! Make a visual (drawn or flannelboard and felts). Ideas are on [www.macaronisoup.com](http://www.macaronisoup.com) – archive for Song of the Month in March 2005.
