

WELCOME, BIENVENIDOS!

Learned from Sanna Longden at CMN*

Welcome, welcome – Bienvenidos!

Welcome, welcome, I'm so glad to see you!

Welcome mis amigos, cha cha cha, Bienvenidos!

Put this song on its feet! Wave at someone for each Welcome, shake someone's hand on each Bienvenidos! At "I'm so glad to see you" hold 2 hands with someone to seesaw on the chachacha's! Wave goodbye and repeat the pattern!

If you see * with a song or author, that means that I learned it through The Children's Music Network. I have been a member for 20 years and owe this organization so much for the songs that have been shared and the friendships made. Check us out at CMNOnline.org.
