

## **WATERMELON!** by Carole Stephens ©2016

Watermelon! Watermelon!  
Inside it's so juicy pink,  
You won't need to take a drink!  
Watermelon! Watermelon!  
It's the answer for a hot hot day, (slurp!)  
Take a bite - crunch crunch  
Spit out the seeds – pi-touie!  
Feel the juice - mmmmm!  
Dripping on your knees! EWE!  
Run through the sprinkler, that's what it's for  
Do a little dance and ask for more - More More More!
