

## **Razzema Tazzema** by Ellen Feldman\* ©1989

Bim bam, bim bam, razzama tazzama  
Tish tosh, tish tosh, wally woo woo  
Bim bam, bim bam, razzama tazzama  
Tish tosh, tish tosh, wally woo woo

1. Put your hands in the air, put your hands in your lap  
Get your hands ready and clap, clap clap.  
Put your hands in the air, put your hands in your lap  
Get your hands ready and clap, clap clap.
2. Put your elbows in the front, put your elbows in back  
If you were a duck you'd Quack Quack Quack!
3. Put your finger on your knee, put your finger on your nose  
Wiggle your fingers and tickle your toes.
- 4 Put your hands on your head, put your hands on your tummy  
Make a silly face - That one's quite funny!  
Put your hands on your head, put your hands on your tum  
Give a little laugh, this song's almost done!
