“Lovebirds Love”

(Claudia Robin Gunn)

Lovebirds love
Lovebirds love
Lovebirds love
(Oooh)

Lovebirds love to sing for you and I
And always stay together
Lovebirds love to share their joy
With you and I, true love forever

Lovebirds love to love to give
Lovebirds love to love to wish
Their lovely thoughts into the world
To all the lovely hearts and souls

Lovebirds love to dance in twos
In lovely ballroom tippy-toe dance moves
Lovebirds love to share their joy
With you and I, true love forever

Lovebirds love to love to shine
Their lovely lovely love bird style
And this I know, I know is true
That lovebirds lovebirds always do

Love to love to sing
Love to love to dance
Love to love to give
Love to love to take a chance

Lovebirds love to sing and share
And dance and give and shine and wish
Lovebirds love to stay together
Lovebirds love true love forever
