“Rockpools” (Claudia Robin Gunn)

This is the rockpool rock, dance, dance, dance
Like you're swimming in salt water
A little creature clinging on to the walls
Or hiding in ya shell
Wanna dance?

Rockpools, cats eyes, neptune's necklace, sunshine
Rockpools, triple fins, hermit crabs, glass shrimp
Rockpools, anemones, urchins, stars of the sea

Wave wave wave your arms like seaweed
Slide like a sea snail copy me
Freeze frame (freeze frame)
Stay in one place like a limpet
I know you can do it

Rockpools, cushion stars, camouflage, from hunters
Mud whelks, sea slugs, better hide from seagulls
Rockpools, crayfish, day spa for octopus

Swish and sway like an anemone
You can scuttle like a paddle crab copy me
Freeze frame (freeze frame)
Stay in one place like a limpet
Oh yeah I know you can do it

Rockpools
Swish and sway like an anemone
Freeze frame (freeze frame)

Wave, wave, wave your arms like seaweed
Slide like a sea snail copy me
Freeze frame (freeze frame)
Stay in one place like a limpet
I know you can do it
