## “The Little Blue Sushi Shop Penguins”

(Claudia Robin Gunn)

Underneath the sushi shop  
First there came a little squark  
Then there came an answer from the harbour  
The sushi chefs were busy  
Rolling up the sushi  
When they heard the noise they stopped

Oh fish - what's that?

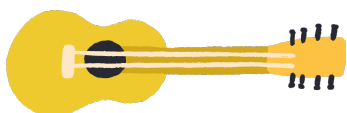

And the little blue sushi shop penguins  
Were hiding underneath of the air vents  
The little blue sushi shop penguins  
Were looking for nice warm place to call their home  
Oh no!

So they lured them out with fish  
Shut them in the sushi fridge  
Til the city officers arrived  
You can't stay here the officers say  
We usually give tickets but not today  
Dear little penguins - run back to the bay!

And the little blue sushi shop penguins  
Were hiding underneath of the air vents  
The little blue sushi shop penguins  
Were looking for nice warm place to call their home  
Oh no!

Now in the middle of Lambton Quay  
Little and blue and brave can be  
Holding up the traffic as they waddled  
Oh on the way to the sushi shop  
This is a place we like a lot  
Commuting distance from the sea  
It's the perfect place for me!

The little blue sushi shop penguins  
Were hiding underneath of the air vents  
The little blue sushi shop penguins  
Were looking for a nice warm place to call their home  
Oh no!

Two days later they both came back  
Haven't we warned you already bout that?  
The officers were pulling out their hair!  
We know you need a nesting spot  
Underneath a sushi shop  
Isn't the best real estate  
You can better down by the bay  
Oh, good idea

Now the little blue sushi shop penguins  
Are cosy inside their rocky nest  
The little blue sushi shop penguins  
Have a nice warm safe cosy place to call their home

Good show!
