“Pom Poms”

(Claudia Robin Gunn)

One pom pom on the top of my pom pom hat (like that)
Can you see it bouncing merrily
In the fluffy little pom pom breeze?

Two pom poms on the end of my pom pom scarf (don't laugh)
When you see them bobbing as I run
In the woolly winter pom pom sun

Three Pom Poms on the back of my pom pom jacket (I love it)
Can you see em waving to and fro
In the feathery pom pom snow?

CHORUS

Pom poms fluffy ever after
Pom poms woolly little wonders
Pom poms feathered friends forever
Pom pom pom pom pom pom pom pom pom pom

Four Pom Poms on the front of my pom pom sweater (thanks Grandma)
Can you see them wisping all about
Like misty little pom pom clouds

Five Pom Poms on the sides of my pom pom backpack (ra ta tat tat)
Can you see them bouncing here and there?
In the puffy wintertime pom om air

CHORUS

Pom poms you can put em everywhere
Pom poms on your feet and in your hair
Pom poms wave em round to cheer the team
Bigger than your wildest dream, make em out of lots a stuff
Cannot ever get enough

Pom pom pom pom pom pom
Pom pom pom pom pom pom pom pom
