## “Camping Holiday”

(Claudia Robin Gunn)

### CHORUS

Nature, nature everywhere, above and below and around  
On our camping holiday, the moments that we found

Mama can you show me how to skip stones?  
Yes we can do that! no work, no traffic today  
Yes we can try it, let's find some stones down by the lake

### CHORUS

Daddy can we stay up late and look for shooting stars?  
Yes - we can do that! No school no kindy tomorrow  
Yes we can try it! Let's take some blankets and pillows

### CHORUS

### Bridge x 2

Let's play tag, and hide and seek, let's ride our bikes down by the creek  
Let's swim up and down til we get tired, let's toast marshmallows here by the fire

Ummm, can we go home now?  
Yes! we can do that! we've had lots of fun  
All the towels are full of mud, all the food's in our tums

Yes! we can go home, let's roll the big tent away  
And remember the moments that we found on the way
