## “Kind Words”

(Claudia Robin Gunn)

You are important, let's try it your way  
You make us smile, learning new things every day  
So glad you're here, we love how you're thinking  
You don't have to be perfect to be amazing

### CHORUS

Kind words are sunrays, gruff words are dark clouds  
Sweet words are rainbows, mean words are shadows  
Kind words are blue skies, mean words are thunder  
Sweet words will warm our hearts, cruel words send shivers  
So let's use our kind words

We love seeing the world your way  
Thank you for being you, we do our best to keep you safe  
We wouldn't be the same without you  
We are so lucky, so lucky to have you

### CHORUS

You can say no or you can say yes  
You've got choices, we know you'll do your best  
We're listening, we hear you, you have great things to say  
We love all your questions lets google them right away

### CHORUS

### BRIDGE

You are capable, you are deserving, you are strong, you are creative  
I know you can handle this  
Trust your instincts, your choices matter, you make a difference  
You are powerful

If you make a mistake, Just be brave, we can fix it  
So try try again we believe in you, go for it  
We all feel afraid sometimes and we get shy  
We all need our friends  
We're all part of the same tribe
