Big stars

Little stars

Big stars, little stars, everywhere stars

Big stars, little stars, everywhere stars

Everywhere stars, everywhere stars

I see all the constellations, my blanket of starlight

I see you Matariki, tiny eyes in the dark night

Whetū nui, whetū riki, nga purapura whetū

Whetū nui, whetū riki, nga purapura whetū

I see all the constellations, my blanket of starlight

I see you Matariki, tiny eyes in the dark night

Big stars
