“Blue and Green”

(Claudia Robin Gunn)

Doo dah doo doo
Doo dah doo dah doo dah
Doo dah doo doo

Do you remember what the world looked like
First time you ever learned to see?
How blue the sky (oooh)
How cool the breeze (oooh)

On your face in the morning light (doo dah)
It's freezing better duffle up tight (doo dah)
How clear the air (doo dah doo doo)
How green the trees

Do you remember holding up your hands (doo dah)
Trying to gather up the clouds above (doo dah)
How bright the day (doo dah doo dah)
How warm the sun (dah doo doo)

When you stole the spotlight (doo dah doo dah)
Oh you stole the spotlight (doo dah doo dah dah dah)
And you pulled the stars out of the sky (doo dah doo dah)
To be your eyes (doo dah doo doo)

Do you remember counting one plus one (doo dah)
Trying to recognise your ABC's
And all your favourite books (doo dah)
And all your favourite games (doo dah)
I'm coming 1 2 3 (doo dah doo dah)

Can you imagine what the earth looks like
To the astronauts in outer space
All blue and green and shining (doo dah doo doo)
Blue and green and shining (doo dah doo doo)
Blue and green and shining (doo dah doo doo)
With not a leaf out of place (doo dah doo doo)

Like a little baby (doo dah doo doo)
Not a hair out of place (oooh)
