“Wrap Me Up”

(Claudia Robin Gunn)

Mmm
Mmm
Mmm

Wrap me up, hold me tight
Snuggle me and huggle me
Cos I ain't quite sure of myself yet
I'm just starting to get used to this life
The lights are bright
And what do I do with these
Arms and legs of mine?

So wrap me up, hold me tight
Huggle me and snuggle me every night
Oooh

Talk to me, tell me a story
Show me the pictures in black and white
I'm wondering about it all
Strangely wonderful being small

So wrap me up, hold me tight
Snuggle me and huggle me every night
Talk to me, tell me a story
Huggle me and snuggle me all my life

Oooh
Oooh
