“Sparky the Tugboat”

(Claudia Robin Gunn)

Toot toot

Toot toot

Sparky the tugboat won't you help me out?
Because the party's on today
All the big ships come out to play

Sparky the tugboat please can you steer me in
Down here at the quay
This is where the big ships will be

The trumpets blow in the big brass band
See all the pom poms rum pa pum pum
Up and down and all around
The waterfront bandstand
Fog horn call, trombones roar
It's a watery celebration
All of our friends, a marine sensation

Toot toot

Toot toot

Sparky the tugboat, do you wanna tag along?
I'll get you on the VIP
When they roll out the red carpet of the sea

The trumpets blow in the big brass band
See the pom poms rum pa pum pum
Up and down and all around
The waterfront bandstand
Fog horn call, trombones roar
It's a wavy celebration
All the big ships, a marine sensation
