## “Whale Shark”

(Claudia Robin Gunn)

The biggest fish in the sea is a whale shark  
But a whale shark isn't a whale  
Though it's a shark it's as gentle as a puppy dog's tail

See how they sparkle  
With spots and stripes on their dark backs  
Like patterns painted by an artist  
See how they glide  
Filtering the water  
Catching plankton for their dinner  
(ba ba ba ba)

It's a whale shark  
(ba ba ba ba ba)  
So many stars  
(ba ba ba ba ba)

The biggest fish in the sea is a whale shark  
But a whale shark isn't a whale  
Though it's a shark it's as gentle as a puppy dog's tail

Whale sharks have 3000 teeth  
But they don't use those teeth to eat  
And when they swim they swim real slow  
They move their bodies side to side  
To get where they want to go

It's a whale shark  
(ba ba ba ba ba)  
So many stars  
(ba ba ba ba ba)  
It's a whale shark  
(ba ba ba ba ba)  
So many stars  
(ba ba ba ba ba)

It's a whale shark x2
