“A Little Birdie Told Me”

(Claudia Robin Gunn)

Fa la la la la
Fa la la la la
Fa la la la la la

Every windowpane
Every smiling face
Every rooftop
Every gift and toy shop
Seems to tell me
Something good is
Just around the corner (do do do do do do)

And I think I heard a little birdie
Whisper in my ear
The holidays are here
So let the sleigh bells ring and
Break out all that festive cheer

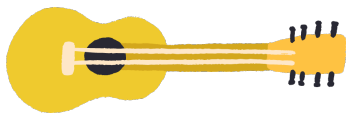

All the solar powered lights
Down the main street
All the tinsel garlands
And neon reindeer
Seem to tell me
Something good is
Just around the corner

And I think I heard a little birdie
Whisper in my ear
The holidays are here
So let the sleigh bells ring and
Break out all that festive cheer

Fa la la la la
Fa la la la la
Fa la la la la la la

Fa la la la la
Fa la la la la
Fa la la la la la la

LYRIC SHEET

In my neighbourhood
Almost every night
All the kids and parents
Come out to see the sights
And we can hang a star
On the wishing tree
And leave a present
For another family

I think I heard a little birdie
Whisper in my ear
The holidays are here
So let the sleigh bells ring
Hear all the children sing
Bring all your wishes for
A happy holiday and
Brave and bright new year

Fa la la la la
Fa la la la la
Fa la la la la la

Fa la la la la
Fa la la la la
Fa la la la la la
