## “Thank You Santa”

(Claudia Robin Gunn)

The heart of the city just skipped a beat  
We read it in the news tonight  
This year will be the last, it can't go on  
We hope you took it in your giant stride

Queen Street just won't be the same without you Santa  
The city walk at Christmas time is gonna be a little less colourful  
We'll miss ya  
They say it costs too much to keep you now, sorry Santa  
All that vintage fiberglass to paint and store is quite a lot of cash

So Santa you're retiring  
Taking off your boots and hanging up the sled  
Oh Santa you're off to greener pastures  
Will you take the reindeer?  
You're gonna miss those dears  
Santa you're retiring  
Thank you for the years, and all the big parades  
Santa you're retiring  
Oh, will you go on tour, or just enjoy the break?

We will still have the Christmas windows at Smith and Caughey  
We will still have the lights on Franklin Road  
We will still have the memories  
You made it bigger, brighter, better  
Thank you, Santa
