Don't ,Don't Don't ,Don't , Don't be a bully

Don't ,Don't Don't ,Don't Don't be a bully
Black or white, short or tall, large or small
We're all the same. We're all the same
Even though we're all different hey.
I have feelings you have feelings.
Let's respect, respect one another.
I have feelings you have feelings.
Let's respect, respect one another.

Be nice, be nice.
Don't fight, don't fight
Don't hate, don't hate.
Be polite, be polite
Don't tease, don't tease
Another, another
Because of his skin color
We're all the same, the same.
He may be different but it doesn't make him strange
We're all the same, the same.
She may be different but it doesn't make her strange
Do you like to feel sad. No. No.
Do you like to get mad. No. No.
Do you like to be teased. No. No.
Well, neither does she. So don't be a bully.

Black or white, short or tall, large or small
We're all the same. We're all the same
Even though we're all different hey.
I have feelings you have feelings.
Let's respect, respect one another.
I have feelings you have feelings.
Let's respect, respect one another.

Do you want to be a winner?
