verse one:

Hanging around my pet makes this a happy day.
Maybe we'll take a nap or go outside and play.
Maybe we'll throw the ball.
Whatever we do, it's all...

chorus:

For the love of my pet.
I give her lots of affection
And all the protection she needs.
For the love of my pet,
I take good care of her.
Yeah, you bet!
For the love of my pet.

verse two:

Plenty of food and water, just like you and me.
She is a treasured member of my family.
She has a license and I.D. tag
And treats so her tail will wag.

(repeat chorus)

bridge:

And when I'm feelin' kinda lonely,
She's there to lick my hand.
Sometimes it seems like she's the only
Friend of mine who understands.

(repeat chorus)
