**verse one:**
When I'm feelin' scared,
I don't wanna be scared anymore.
All I do is hop--
I feel good like never before.

**chorus:**
All I do is hop any time of the day.
Never gonna stop
Till I hop all my worries away.

**verse two:**
Now I'm feelin' happy,
And you can see I'm wearin' a smile.
Up and down I go.
Don't ya know, I'm goin' in style.
Yes, I am.

**(repeat chorus)**

**bridge:**
I can hop on one foot.
I can hop on two.
I can't be nervous
When there's so much hoppin' to do.

**outro:**
All I do is hop,
And I'm not scared anymore.
Never gonna stop.
Oh, no, not me.
All I do is hop
Any time of the day.
Never gonna stop.
Oh, I'm never gonna stop—no, no.
All I do is hop.
Oh, I'm not scared anymore.
Never gonna stop.
Never, never, never gonna stop.
All I do is hop.
