

ALL MIXED UP

words and music by Dave Kinnoin

verse one:

My skin is a certain shade
Just because that's the way I'm made.
I am different, but I'm not afraid.
Mine and all the others
Meet and make the colors...

chorus:

All mixed up, and we're doin' okay.
All mixed up, and we're happy that way.
We're all kinds of people in one family.
All mixed up—you and me.

verse two:

My legs don't work, and so
My four wheels take me where I go.
See me comin' with a big hello.
Different methods let us
Move around and get us...

(repeat chorus)

bridge:

My heart is open, and there's plenty of
room.
Oh, my love is shinin',
And I like to believe friendship can bloom.

(repeat chorus)
