verse one:
Mommy said, “This drive’s a bore.
I wish the miles would offer more.
Hey, let’s take the scenic route.”
Daddy grumbled once or twice.
I called out from the back, “Be nice.
Hey, it just could be a hoot!”
We left that well-paved interstate.
Now everything is goin’ great.

chorus:
We’re bouncin’ on the bumps
(Bump, bump, bump),
Dancin’ in the dips
(Whee, whee, whee!).
It’s plain to see this is gonna be
One of our wildest trips.
Bouncin’ on the bumps
(Bump, bump, bump),
Dancin’ in the dips
(Whee, whee, whee!).
This road’s designed with fun in mind
(Bump, bump, bump, whee, whee, whee!)
Bouncin’ on the bumps,
Dancin’ in the dips.

verse two:
My hands are flyin’—so are my feet!
I’m glad I’m buckled in a baby seat.
A kid could bounce pretty far!
My rattle and my apple juice
Were not strapped in, and they got loose.
Gee, I hope they’re somewhere in the car.
But I’m not worried ’bout them now.
I’m havin’ too much fun—wow!

(repeat chorus)

bridge:
Look out the window—there’s adventure up ahead.
Hills and curves are for the takin’.
We’re gonna go and see what’s shakin’!

interlude:
Round and round and round
And up and up and down and down we go.
So much to see.
Round and round and round
And up and up and down and down,
This road’s designed with fun in mind.
Just followin’ the yellow line.
(repeat chorus)
