

WHAT CAN'T BE

words and music by Oliver Kinnoin and Dave Kinnoin

verse one:

In this world full of mysteries,
Ever changing realities,
Don't think, just feel.
Don't blink as I reveal...

chorus:

What can't be,
But it is.
What can't be,
But it is.
We all know
It can't be true,
But what can't be
Is what I do.

verse two:

Be prepared for some freaking out,
Questioning what it's all about.
Some laws get bent.
Hearts pause as I present...

(repeat chorus)

bridge:

Let every curtain rise.
Welcome the sweet surprise.
Yesterday's door is shut.
All we have now is...

(repeat chorus)

Key of G, A, and B

119 bpm

[note: G5 is a power chord.

That means there is no third (in this case, B).

A C5 has no E, and so forth.]
