

KEEP ON SHINING

words and music by Dave Kinnoin

verse one:

Look at me—I'm able to do
Many things just like you.
Nothing ever stops me—I want it all.
Run a race? Hey, watch me fly!
I won't let life pass me by.
New ways to explore are all I need.
I travel each pathway. I'm sure to succeed!

chorus:

Keep on shining, keep on shining.
My inner light is turned on bright.
Keep on shining, keep on shining.
My loving spark defeats the dark.
I live for that sweet, sweet moment
When I touch another dawn.
I keep on shining.
My dreams live on.

verse two:

Day by day, bit by bit,
I make my way—I never quit.
My senses take me places I want to go.
I try new things. Hey, why not?
I take a breath and give it a shot.
I always know if I give it my all,
Win or lose, I will stand tall.

(repeat chorus)

bridge:

Take me by the hand.
I'll help you understand
Each day is at our command.
We are powerful.
We just keep on shining.

vamp over solo:

Keep on, keep on, keep on shining.
Keep on shining.
Ooh, I keep on shining.
My loving spark defeats the dark.
I keep on shining.
My inner light is turned on bright.

second half of chorus:

I live for that sweet, sweet moment
When I touch another dawn.
I keep on shining.
My dreams live on.
I keep on shining.
My dreams live on...
